Therefore, the club invited Ronald from Britam Insurance who took us through this session. He shared a soft copy of the various Funeral packages that they offer on GIC WhatsApp platform for members to go through.

The cheapest package is Ugx 90,000 per year per member. And this is called **Tear One**. Under this package for example, Britam pays Ugx 15,000,000 to the family in case of death or total disability of any GIC member.
