Secretary

He requested members that are in similar groups to give us a hint on how they operate so that we can pick a leaf from them.

We have a duty to stand with our members in case of any immediate happiness or sadness ie if our member loses his immediate family member or if our member is having a wedding, introduction.

The acting Chair also posed the following questions

- What name should be given to our club?
- If one wants to quit or exit the group, how should the club treat his or her shares?
- What fine should be charged to any member(s) for not attending the meeting?
- What should be the last date for collecting our monthly payments?

1.4 Reactions and Resolutions:

1.4.1 Election of group/club Leaders;

- ✓ All members agreed that Mr. Ivan Sempala should be the Chairperson of Club
- ✓ All members elected Mr. Ssekitto as the Club Treasurer
- ✓ Members elected Mr. Kironde Tonny as their secretary

NOTE: All these members where unopposed for their positions

1.4.2 Regarding Issuing Loans

5% interest per month was suggested and agreed upon. This is only applicable to club members. The maximum loan limit for a member should be three time his or her total savings.

For any member to qualify for a loan, he or she only needs to fill in a loan application form with two guarantors who should also be members of the group

10% interest per month was also agreed upon for anyone outside our club who needs a loan. He or she must present a **security**. A National ID is one of the requirements. We should be so strict in giving out loans to non-members in order to avoid losses

The maximum Loan servicing Period shouldn't exceed 6 months since we are just starting

NOTE: The chairman requested our secretary Mr. Tonny Kironde to draft us a **loan application form** and a **membership form**.
